We're Here To Help With Your SEO and Reviews!

Two of the services that are included with your WhiskerCloud plan are reputation management and search engine optimization (SEO). Both of these services require our team to have access to your Google Business Profile in order to optimize your listing (ensuring your information is correct on Google searches) and manage your reviews.

How? Let's Get Started...

On your computer, sign in to Google Business Profile.

If you have multiple locations, open the location you'd like to manage. Select the menu button on the right and choose "Business Profile settings."

2

Business Profile settings × ← Managers > Add, edit, and remove profile managers Advanced settings > See profile ID and manage labels, store codes, and other settings **Remove Business Profile** > Mark this business as closed, transfer ownership or permanently remove this profile ← Managers : X Add managers to this business on Google. You can also edit or remove access to existing accounts. 움+ Add

At the top right, click "Managers." Then select "Add."

← Add manager : >	<
